

2019 LEARN Design Competition

The School of Engineering in Jönköping (JTH) is pleased to invite students enrolled at Jönköping University to take part in

2019 LEARN Design Competition (Lifelong Education And Research Network).

This design competition aims to gather contemporary ideas for supporting lifelong learning and its connection to research activities by embedding **curiosity, critical thinking and creativity.**

December 11, 2018 – Competition announcement and registration opens.

March 30, 2019 – Project submission deadline (23:59 hours)

April 4, 2019 – Winners' announcement at PED conference at JTH

**For more info and
